CIVIC HANDRAIL LIGHT

CIVIC HANDRAIL LIGHT luminaire combines a sleek, modern design with precision-engineered aluminium die-cast housing and a premium powder-coated finish, offering exceptional durability and a refined aesthetic for contemporary architectural applications.

Powered by high-quality LEDs with a binning tolerance of ≤ 3 SDCM and $\text{CRI} \geq 80$, this fixture ensures consistent colour performance, visual comfort, and long-lasting reliability. It maintains at least 70% of its luminous flux after 50,000 operating hours. High-efficiency optics provide uniform light distribution while minimising glare, enhancing functionality and ambience.

With a standard size of 140mm Length, 45mm Width, and 35.5mm Height, this compact fixture is designed for handrail recessed applications, making it ideal for architectural, hospitality, commercial, and outdoor lighting installations.

Divinity Lights offers customised lighting solutions with options for RAL finishes, wattages, and lengths, tailored to specific project requirements for enhanced performance and installation flexibility.
