ELEVATE DOUBLE HEAD
BOLLARD LIGHTS

Direct | Floor/ Surface

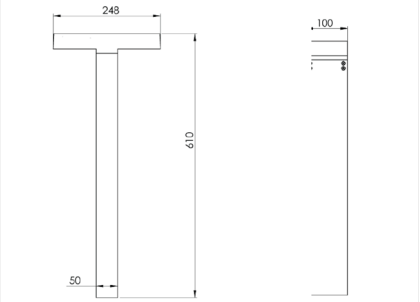

ELEVATE DOUBLE HEAD BOLLARD LIGHT is a sleek and contemporary outdoor bollard luminaire designed with a clean vertical profile and a compact horizontal head for precise downward illumination. Its minimalist architectural form integrates seamlessly into modern landscapes, providing subtle yet effective lighting for walkways, garden paths, driveways, landscape areas, building entrances, courtyards, resorts, hospitality spaces and residential outdoor environments. The fixture is surface-mounted and available in custom RAL colours to complement different architectural and landscape designs.

With physical dimensions of 248 mm in length, 100 mm in width and 610 mm in height, ELEVATE offers a slim yet distinctive presence within contemporary outdoor environments. Its compact head and vertical body provide focused pathway illumination while maintaining a clean architectural appearance. Divinity Lights provides customized lighting solutions according to clients' specific project requirements.
