

FLIP IN-1H/P POLE LIGHT

Pole | Mounted

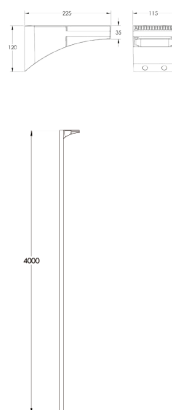

FLIP IN-1H/P POLE LIGHT is a modern pole-mounted LED lighting solution designed to provide efficient and uniform forward-throw illumination for outdoor spaces. With an IP66 protection rating, PC lens, and high-quality LED technology, it delivers reliable performance in demanding outdoor environments.

Available in 20W with 240V AC input and non-dimmable/DALI-dimmable driver options, it is ideal for pathways, gardens, campuses, streets, walkways, and architectural outdoor areas.

Featuring a compact and practical design with an overall length of 115 mm and width of 215 mm, the luminaire is designed for installation on poles with a pole height of 4000 mm, allowing easy integration into outdoor lighting layouts while maintaining a clean and contemporary appearance. Divinity Lights also provides customized lighting solutions according to clients' specific requirements, including RAL colour finishes.
