GROOVE-R
BOLLARD LIGHTS

Direct | Surface

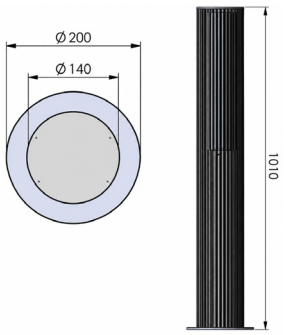

GROOVE-R BOLLARD Light by Divinity Lights is a contemporary outdoor lighting solution designed with a sleek, vertically ribbed cylindrical profile that adds both architectural character and functional illumination to outdoor environments. Featuring a 360° beam angle and PC diffuser, the fixture provides comfortable and uniform light distribution, making it suitable for pathways, gardens, landscape areas, residential exteriors, commercial spaces, hotels, resorts, and architectural outdoor applications.

With a Ø200 mm diameter and 1010 mm overall height, GROOVE-R combines a refined architectural appearance with efficient outdoor illumination.

Divinity Lights manufactures customized lighting solutions according to clients' specific project requirements, with suitable finishes and configurations for landscape pathways, gardens, residential developments, commercial exteriors, hospitality projects, and other architectural outdoor spaces.
