LUTEM-P
COLUMN LIGHTS

Direct | Surface

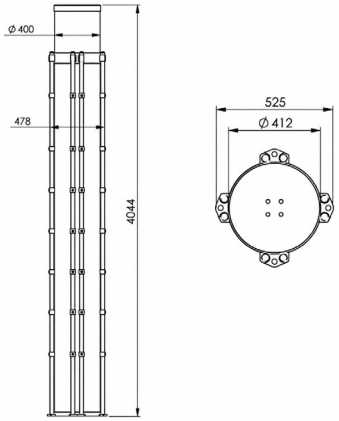

LUTEM-P COLUMN Light is a contemporary outdoor column light designed to provide uniform and comfortable illumination for architectural and landscape environments. Its cylindrical form, integrated acrylic diffuser and 360° beam distribution create a clean and consistent lighting effect, making it suitable for pathways, gardens, driveways, residential landscapes, commercial exteriors, hotels, resorts and other architectural outdoor spaces.

The luminaire features an acrylic diffuser with an overall diameter of 525 mm, acrylic diameter of 400 mm and height of 4044 mm.

Divinity Lights manufactures customized lighting solutions according to clients' specific project requirements, offering suitable configurations and finishes for a wide range of outdoor lighting applications.
