MERIDIAN CLASSICAL-1/B
BOLLARD LIGHTS

Direct | Surface

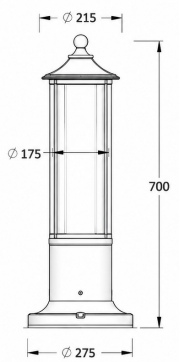

MERIDIAN CLASSICAL-1/B BOLLARD Light by Divinity Lights is a contemporary outdoor lighting solution featuring a refined cylindrical aluminium housing, clear glass diffuser and a clean architectural profile. Designed for surface mounting, the fixture provides 360° radially symmetric light emission, delivering comfortable and uniform illumination with a high degree of visual comfort. Its IP66 protection offers high resistance against dust and moisture, making it suitable for demanding outdoor environments.

With its balanced form, durable construction and 360° illumination, MERIDIAN CLASSICAL1/B is suitable for society parks, streets, educational institutions, pathways, gardens, landscape areas, residential developments, commercial exteriors, hotels and other architectural outdoor spaces.

Divinity Lights manufactures customized lighting solutions according to clients' specific project requirements, offering suitable finishes and configurations for a wide range of outdoor lighting applications.
