STELLA-S1
DECORATIVE LIGHTS

Direct | Pendant

STELLA-S1 PENDANT LIGHT luminaire features a sleek, decorative design crafted from high-grade stainless steel with a premium matt rose gold finish.

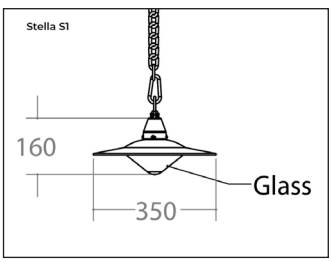

Powered by high-quality LEDs with a binning tolerance of ≤ 3 SDCM and CRI ≥ 80, this fixture ensures excellent color rendering and long-lasting performance. It maintains at least 70% of its luminous flux after 50,000 operating hours, guaranteeing durability and reliability over time. A high-efficiency frosted glass diffuser provides soft, uniform illumination and reduces glare.

With a standard size of 350mm Diameter and 160mm Height (based on model), this fixture is crafted for direct light distribution, making it ideal for decorative outdoor applications such as patios, entrances, and verandas.

Customisations in RAL finish, wattages, and chain height are available as per request to enhance installation and functionality.
